Take the N3 highway, and pass Pietermaritzburg to the Cedar off-ramp (after the Hilton turn off). Turn right on the R103. Proceed to the top of the hill to the D292 road. Turn right, pass St Patrick's on the left, and Mistyvale Flowers on the right. At the fork stay right (do not go left) around the corner. At the end of that road is Red Acres, next to the Eskom board that reads Strawberry Farm. Parking: pass the buildings to the second gate.
